It's that time of year again to think about voting for your representatives for the Board of Directors and Offices of the Central Kansas Flywheels. The election will be held November 8th, 2018 at the Heritage Building of the Museum. The Meeting will start at 7:00pm with elections to follow. If you have an interest in participating in the voting process, please make plans to attend. Ballots will be available for you to choose your representatives.

Thank you to Brandon Edwards for his Eagle Scout Project! He and a team of volunteers built a new kiosk for the lobby of the Museum. It reflects the theme of the Museum and is larger to hold more material and very sturdy. All in all, a great project and we thank him for his efforts on behalf of the Central Kansas Flywheels.

So this Fall came and went without the Heritage Days Show. Several factors went into the hard decision to cancel the show. However, we would like to continue the event in some form and are asking for ideas and suggestions of what you think makes a successful show. As a visitor, what interests you about the show? Are you satisfied with what the Museum had to offer during past shows or is there something we have not included that would be of more interest? Have you thought about participating as a volunteer during the show and helping us present the Museum to the public? I would be interested in hearing from you about you overall impression of past shows and what you would like to see included in future events. Contact Will during business hours at 785-825-8473 with your opinions and suggestions.
Museum Opportunities / Monty Hole

The following is a list of potential projects needed to be done around the Museum. If you have an interest or wish to fund one of this projects, please contact the Museum.

PROJECTS

- Paint Service Station
- Repair and paint Chuck Wagon
- Paint School House Bell Tower
- Landscaping
- Repair or replace ceiling tiles in Heritage Building
- Repair back porch of the School House
- Repair back porch of the Church (In progress)
- Paint and hang new doors of the Church
- Repair and paint bleachers
- Repair and paint picnic tables
- Caulk and paint Church windows
- Reseal windows of the Heritage Building
- Catalog all exhibits and match up paperwork (In progress)
- Make new signage for exhibits
- Signage for outside of each building
- Sort and organize exhibits of south balcony (Display Bldg.)
- Second coat of paint on School House

WISH LIST ITEMS

- Lights and power to Pole Shed
- Paint Heritage Building façade and build covered walkway over the main entry doors and overhangs over the other entry doors (Grant money of $2500 has been provided)
- Build pavilion in center square behind Heritage Building similar to one covering the Sawmill

Chairman’s Letter / Monty Hole

Greetings to all,

As we continue to finish out the year I am reminded just how great the volunteers are out here. I am grateful to all of the hours they have put in transporting new donations, the continual upkeep of the grounds, repairing and restoring other exhibits, and getting things ready for the cold snap. One of the projects I would like to get started is the history of some of our items. Just listening to some of the stories that come out when we are working on things is amazing. It would be great to get these recorded and saved for future kids to read and hear. I had never thought about things like spacing when you are planting corn by wire check method, and why it is wider in some parts of the country than others. FYI it has to do with the size of horses. We have had a flurry of activity lately with weddings, demonstrations, scout functions, and visitors. Join us Nov 10th for our Hunter’s breakfast. Also keep December 15th open for a Christmas party. If you haven’t been out for a while come check out the new sign in table in the Heritage Building, it was an Eagle Project. The new SWAPS exhibit in the Museum of Scouting, it was a Bronze Project, and all of the other new things we have.

Finally, enjoy your Thanksgiving. I hope you make it a family event and maybe see some people you haven’t for a few years. Sometimes life is too short and we don’t realize how time flies. I enjoy every talk I have on the internet with my granddaughter in Georgia. Again, thanks to all who have helped so far this year.

Thanks to all,

Monty Hole
